

# Explore the Lascaux Cave

Before you go on your virtual tour of the Lascaux Cave, read all about the cave at

<http://earlyhumans.mrdonn.org/caveart.html>

Now you are ready to explore the Cave!

Take time to look at the panels. Think about why they may have painted each item, why were they important?

In your Archaeology Journal, record your reflections.  
Respond to the following questions:

Why do you think people who lived many years ago made art?

Does art tell a story?

How does art communicate ideas?

Why do people who live today make art?
