- Hot Glue Gun
- Cardboard Knife

Goal to  
Demonstrate  
Responsibility  
and Safety

01

Using a Cardboard  
Knife

02

Using a Hot Glue  
Gun

# Your Potential Clients

# Brenda Bunny

---

- Brenda used to be quite the troublemaker, but she has found the light and wants to be a good neighbor.
- She loves adventure and the outdoors and is quick to help others.
- She loves a lot of light and enjoys reading a book on a sunny day.
- She teaches yoga in her spare time.
- Brenda likes colours that make her feel like she's outside.

# Linty

- Linty is a strange creature originally from under the couch.
- Linty does not talk a lot but loves to hang out with their friends.
- Linty's favorite colours are browns and greys.
- They like darker spaces but not complete darkness.
- Linty loves action movies and Marvel over DC

# Trip

---

- Trip is a super savvy Dino that dreams of soft fluffy clouds.

- Trip's favourite colours are blue, yellow, and orange.

Due to Trip's giant eyes, Trip does not like to be in the sunlight for long periods of time.

- Trip is an inventor and loves to make cool machines and contraptions.

# Tom Grady Gator

- Grady loves to sleep and swim.
- He does not enjoy the cold at all but loves the sunlight particularly when it sparkles off the water.
- Although he is green, he hates the colour immensely.
- Grady is a huge sports fan and never misses his favourite Florida teams playing on the TV

# Supplies

---

Cardboard, Construction Paper and White Paper

---

Popsicle Sticks

---

Tape

---

Glue

---

Hot Glue

---

Toothpicks

---

Plastic Wrap

---

Aluminum Foil (Limited)

---

String, Yarn, Fabric, and Ribbon

---

Some Decorative Items will be available – on a limited basis

Define

Using a set list of possible supplies, I need to build a 20by20by20 shelter for

\_\_\_\_\_ that includes  
\_\_\_\_\_ and  
\_\_\_\_\_.
